ENROLMENT INSTRUCTIONS FOR SHORT COURSES 2017

The courses are available to anyone that would like to try mosaic techniques for passion, artistic interest or curiosity. During the course the basic elements of mosaic techniques will be covered:

- Cutting and preparation of materials using the traditional hammer.
- Study of *andamento* (movement of the rows of tesserae in armony and agreement with the subject to be interpreted and the available space).
- Producing a mosaic piece from a sketch using direct technique.

You can preview the sketches and select the one you want to realize during the course on the School website: **www.scuolamosaicistifriuli.it** at the menu **corsi - corsi brevi - bozzetti corsi brevi**
It's possible to propose a different sketch at least fifteen days before the beginning of the course. The teacher will decide if it's feasible in mosaic art. The maximum size of the mosaic will be sq. m. 0,20..

Types of technique:

Roman (recommended for beginners), Byzantine and Contemporary
